Sydney Showboat 80-400 Guests

The moment you step onboard the Sydney Showboats you will be impressed by the boat's stylish interior, including backlit marble, warm lighting, rich textured fabrics and dramatic lines.

The Sydney Showboat authentic paddlewheelers are reminiscent of those that pilled the waters of Sydney Harbour during the 1800s. The Show Boats retain the romance and elegance of our early colonial days.

Following the multi-million dollar makeover in 2004, the Sydney Showboats present a contemporary décor with maximum comfort. The Sydney Show boats are fully air conditioned, highly stable cruise vessels that offer unsurpassed comfort and luxury.
